Maximum Impact in a Short Time!

How can you have the maximum impact for eternity in a short time & at a low cost? You don't have to go to another country to be on mission for God! Host a 5-Day Club this summer!! It is very easy to partner with CEF to reach the children in your neighborhood, stress and hassle free. Decide on the week (Monday-Friday) and time you'd like to host the club, either in your home, in a park nearby, or on your front lawn. Give us a call or email to receive printed invitations to pass out to your neighbors. We will send you a team of well-trained teachers to share the gospel with the children for 1.5 hours each day through fun songs, gospel filled Bible lessons, and an exciting missionary story! You'll provide simple snacks for the children at the end of the club so the children can be filled in their mind, heart, and tummy for the love of Jesus Christ. We will work with your schedule to help you reach your community with the gospel this summer! Call today (650)306-0200 or email us at siliconvalley@cefnorcal.org

News from the Field

Meet our new Field Missionaries

Ysabel Woody has extensive background in her service and ministry at her church & other ministries, such as leading worship, leading prayer, Children's Ministry, VBS, and Teen Ministry. While in college, Ysabel was a Youth Leader in Intersarsity Campus Ministry, etc.

Ysabel believes she has a Teaching gift, and that her greatest calling is to share the saving knowledge of Christ with children & discipling them to stay in Christ. God brought her to CEF after a year-long prayerful search for an organization that will bring the gospel to children at schools! Ysabel will be focusing her effort in the city of San Francisco where she currently lives.

Keira Ferguson was saved in a Good News Club when she was young, and was trained in CYIA in her teenage years. She has taught multiple years in VBS Pre-K to 5th grades. Keira currently lives in Grass Valley, and will be relocating to be our Summer Missionary for 5-Day Clubs.

Gail Castro, GNC Team Leader

What a joy and a delight George and I had 2 days in March to bring Good News Club to the local kids participating in a week long Sports Camp with City Impact, in the Tenderloin District of San Francisco.

Jared, a City Impact Team Leader, arranged for us to come in and share the good news with about 80 kids (ages 9-14.) On Wednesday we focused the Lesson around baseball figure Dave Dravecky. It was great having the chance to share Jesus with many of the young ones who may have not heard about Jesus, especially in a Sports Hero such as Dave. On Thursday, we did an Easter Party Club. I used props to drive home the point of the thorny crown Jesus wore. I showed a tiny nail next to a gigantic one that may have been used in the hands and feet of Jesus, and a cloth to wrap His body in the tomb. The kids were quiet and even the parents in the bleachers were paying attention when I pulled out a GIGANTIC HEART saying, "The nails did not hold Jesus to the cross, but His love for you. You HELD HIM to that cross." We saw somber faces and tears. It was such a moment. At the end, when we made a call to accept Jesus, we saw struggles of many wanting to...but no child did. We do know many seeds were planted. We passed out Easter treat bags with tracts in hopes that they would read these and think more on their decisions to follow Jesus. We were blessed to have shared The Good News with these young hearts. Parents heard the true message of Easter as well. Let us remain prayerful for these families and young ones! What a fabulous Impact to partner with CITY IMPACT for the lives of many. We look forward to bringing Good News Club to this area!
